

# OLIGHT

## USER MANUAL

# i18

Thank you for purchasing this Olight product. Please read this manual carefully before use and keep it for future reference!

### IN THE BOX

### SPECIFICATIONS

CANDELA	THROW	WATERPROOF	IMPACT
580cd	48m	IPX8	1.5m

(L)51.3x (D)18.6mm 51g / 1.8oz  
(L)2.02x (D)0.73in

\* The output brightness will decrease as the battery power decreases. The running time is the time when the brightness attenuates to 50% of the initial value after the battery is fully charged.

### PRODUCT OVERVIEW

### CHARGING

Before first use, please fully charge the battery. Unscrew the flashlight tail from the head till the charging port is revealed. Connect the flashlight to an external USB power source via the provided USB A-C charging cable. The red indicator means charging, while the green indicator means charging completed.

⌚ Max time to reach a full charge: 100min

### DANGER

- DO NOT shine the light directly into human eyes. This may cause temporary blindness, or permanent damage to the eyes.
- DO NOT throw the flashlight into the fire. This may cause the battery to explode or incur unexpected hazards.

### WARNING

- DO NOT try to pull apart the flashlight. This may cause malfunction or make it unusable.
- DO NOT clean the lens with alcohol or any other chemicals.

### EXCLUSION CLAUSE

Olight is not liable for damages or injuries sustained resulting from the usage of the product inconsistent with the warnings in the manual.

Gire levemente a tampa traseira no sentido horário para ligar a luz no modo luz baixo. Gire totalmente a tampa traseira para acessar o modo luz alta. Gire a tampa traseira no sentido anti-horário para desligar a luz.

#### FCC Compliance Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:  
(1) This device may not cause harmful interference, and  
(2) this device must accept any interference received, including interference that may cause undesired operation.  
Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate

06

radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

#### WEEE Disposal and Recycling Information

All products bearing this symbol are waste electrical and electronic equipment (WEEE as in directive 2012/19/EU) which should not be mixed with unsorted household waste. Instead, to protect human health and the environment, you should dispose of your waste equipment at a designated collection point for the recycling of WEEE, appointed by the government or local authorities. Proper disposal and recycling will help prevent potential negative consequences to the environment and human health. Please contact the installer or local authorities for more information about the location as well as terms and conditions of such collection points.

### ISED Notice

This device complies with Industry Canada's ICES standard(s). Operation is subject to the following two conditions:  
(1) this device may not cause interference, and  
(2) this device must accept any interference, including interference that may cause undesired operation of the device.  
Cet appareil est conforme aux normes ICES d'industrie Canada.L'exploitation est autorisée aux deux conditions suivantes:

- (1) l'appareil ne doit pas produire de brouillage, et
- (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

This Class B digital apparatus complies with Canadian ICES-005.  
Cet appareil numérique de la classe B est conforme à la norme NMB-005 du Canada.

- Do not ingest the battery, as there is a Chemical Burn Hazard.
- This product contains a coin/button cell battery.
- If the coin/button cell battery is swallowed, it can cause severe internal burns in just 2 hours and can lead to death.
- Keep new and used batteries away from children.
- If the battery compartment does not close securely, stop using the product and keep it away from children.

- If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention.
- Do not replace the battery with an incorrect type that can defeat a safeguard, such as certain types of lithium batteries.
- Do not dispose of the battery in fire, a hot oven, or by crushing or cutting it, as it may result in an explosion.
- Avoid leaving the battery in extremely high-temperature environments, as it may cause an explosion or the leakage of flammable liquid or gas.
- A battery exposed to extremely low air pressure may result in an explosion or the leakage of flammable liquid or gas.

#### EU Declaration of Conformity

Hereby Dongguan Olight E-Commerce Technology Co.,Ltd declares that the equipment(i18) is in compliance with Directive 2014/30/EU and RoHS Directive 2011/65/EU & (EU) 2015/863. The equipment [Wireless Charger] is in compliance with Directive 2014/53/EU and RoHS Directive 2011/65/EU & (EU) 2015/863.

The full text of the EU declarabon of conformity is available at the following internet address:
