Chapter 2 Optimizations	2
2.1 Enhanced zeroing experience	2

Chapter 1 Introduction

HIKMICRO ALPEX Pro series day & night vision scope is equipped with advanced 12MP sensor, and adopts advanced digital imaging technology, to get clear view in in daytime and classic black & white viewing at night.

It helps to view the target and measure the distance. It can aim at the moving target and meet the outdoor condition. The device can be widely used in searching and rescuing, hiking, travel, etc.

This document introduces new features and optimizations in V6.0.11 of the products.

Version Information

Item	Description
Firmware Version	V6.0.11 build260428
